

MI'KMA'KI-MUNICIPAL
LIMITED PARTNERSHIP

Maximizing Mi'kmaq Opportunities

The Mi'kma'ki-Municipal Limited Partnership (MMLP) is a partnership between Wskijnu'k Mtmo'taqnuow Agency Limited (WMA) and the Municipal Group of Companies. WMA is the economic development organization that represents all 13 Mi'kmaq communities in Nova Scotia and takes a special interest in renewable energy projects.

Municipal, along with its affiliate Dexter Construction, is known across the province for its expertise in heavy civil construction services.

A significant aspect of our success is a deep commitment to the areas in which we live, serve and work.

MMLP is committed to maximizing Mi'kmaq participation in partnership projects through workforce creation, local development, and training initiatives. These projects include an extensive list of civil construction services, such as:

MASS EXCAVATION
ROAD CONSTRUCTION
ROAD MAINTENANCE
MINING SUPPORT

ROCK CRUSHING
SITE GRADING
BRIDGEWORK
PIPE + UTILITY WORK

WIND FARMS
DAMS + MARINE WORK
SITE DEVELOPMENT
LANDFILL OPERATION
